

NATIONAL GUARD ASSOCIATION TROPHY

The National Guard Association Trophy is a miniature bronze statuette of a gladiator. Presented in 1929 by the National Guard Association of the United States to be awarded to the high-scoring National Guard competitor in the President's Match, the trophy remains the property of the National Guard Association.

Match Conditions:

- 1923 The high-scoring National Guard competitor in the President's Match, fired during the National Matches.
- 1971 The high-scoring National Guard competitor in the Service Rifle Aggregate of the NRA National High Power Rifle Championships.
