

NAVY CUP

The Navy Cup is a covered silver punch bowl with a representation on the side of an ancient naval battle. Four feet extend from the base and the finial of the stepped bowl cover is surmounted by an eagle with spread wings. Crossed 1903 service rifles adorn the lid just below the eagle. The trophy was donated to the NRA for annual competition in 1923 by the United States Naval Association.

Match Conditions:

| | |
|------|--|
| 1923 | 20 shots, 200 yards standing, with the Service Rifle. |
| 1952 | Course of fire as above, with either the Service Rifle or NRA Match Rifle. |
| 1967 | Course of fire as above with a new target. |
