

WINCHESTER/NRA MARKSMANSHIP QUALIFICATION PROGRAM

DISTINGUISHED EXPERT (DE) RECOGNITION REPORT

CRITERIA FOR HEADQUARTERS RECOGNITION

1. The NRA Marksmanship Qualification Program is a skill development program. Headquarters recognition is available for individuals who develop new skills in the program up to the highest level – Distinguished Expert. FULL participation in the program at all lower levels – which means developing the skills, shooting the scores, and acquiring the awards for lower ratings – is required for headquarters recognition.

2. Headquarters will provide DE recognition once for the development of rifle shooting skills (air rifle, Smallbore, light rifle or high power), once for the development of pistol shooting skills (handgun, bullseye pistol, or air pistol), and once for the development of shotgun shooting skills (trap, skeet, or sporting clays).

3. See information on reverse side. Questions? Call the NRA Qualification Program Coordinator at (703) 267-1505 or email marksmanship@nrahq.org.
