

EAR Mini Canal

Having trouble hearing students while teaching on an active firing line? Introducing. . .the E.A.R. MiniCanal™

Because One Size Does NOT Fit All! A proper fit is crucial to safely protect your hearing, E.A.R. offers affordable stock (non-custom) hearing protectors with silicone or foam tips in variable sizes for better fit, in addition to our custom models. Don't take the greater risk of hearing damage with "one size fits all" products.

Multiple Uses. Utilizing State of the art Hearing Aid Technology Mini-Canals allow you to hear students better, game calls better, range commands better, traps releasing better, and much, much, more.
