

Energize your NRA Club and support the NRA Foundation Youth Endowment

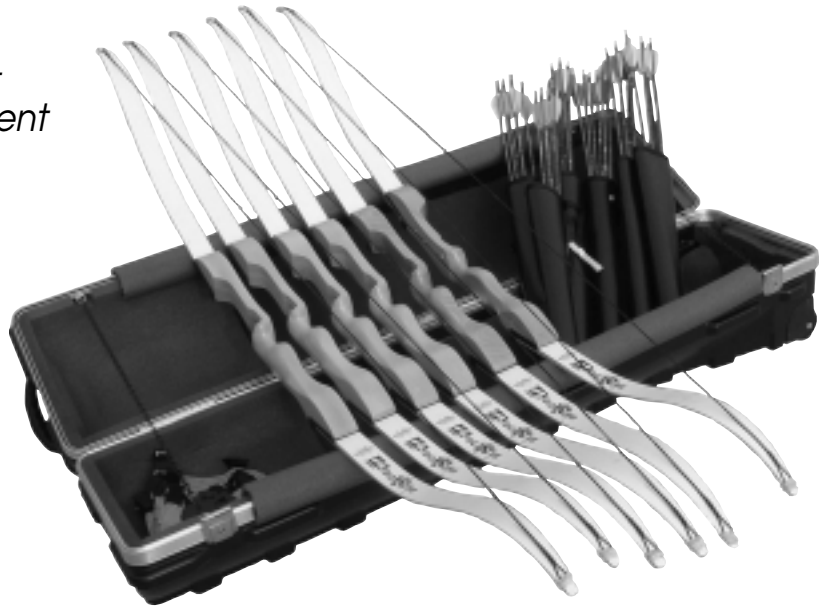

# TEACH ARCHERY!

Thanks to a unique partnership between the NRA Foundation Youth Endowment and the National Alliance for the Development of Archery (NADA), your club can purchase a portable archery kit that's perfect for introducing your newcomers to the shooting sports. You can set up an archery range in minutes at fairs, sportsmen's show and fund-raisers. Use archery to recruit new NRA members!

And once they've tried archery, see how easy it is to get them excited about rifle and shotgun shooting, too!

Order your NADA Bow Box today. 5% of the proceeds are donated to the NRA Foundation Youth Endowment to strengthen NRA youth shooting sports.
